

Project Call 2025

Cammerspiele seeking theatre productions for the upcoming year!

Cammerspiele is a free theatre located in *WERK 2 – Kulturfabrik* and serves as the central production venue for emerging theatre talents in Leipzig. Functioning as a laboratory and space for possibilities, Cammerspiele focuses its program on acting and performance. For the year 2025, we are seeking individuals or groups who wish to realize and stage their theatre projects with us.

What we require from you:

Cammerspiele offers up to six production slots for the year 2025, with a focus on projects in the areas of spoken theater, play-development, and performance. We are particularly interested in concepts with an individual artistic expression and/or a unique story or theme. All forms, formats and contents are welcome. We especially look forward to adaptations from contemporary drama. The only condition is that the production should fit the small stage of Cammerspiele (see seating plan at www.cammerspiele.de). Productions will premiere at Cammerspiele and will be staged multiple times.

Who can apply:

Cammerspiele mainly supports projects by emerging talents based in Leipzig, aiming for multi-year support, guidance, and professionalization. Through our *new|cammer* program, we also specifically seek and support individuals who have no prior directing experience and wish to realize their debut production with us. Additionally, Cammerspiele offers limited opportunities for existing collectives and individuals from across Germany to produce in Leipzig and bring their impulses to the city.

What we offer:

- A modest budget & rehearsal opportunities in our venue
- Organizational support for implementing the concept (facilitation, advertisement, organization) & project-specific advice on funding
- Technical setup and equipment as well as access to props
- Press and publicity work & dramaturgical advice
